**TO WHOM IT MAY CONCERN**

January 2, 2015

**Service Certificate**

VBA - AvE

herewith we confirm that the company

**Jordair Compressors Inc.**  
**Unit 205 – 6901 72 Street**  
**Delta, BC, Canada**  
**V4G 0A2**

represented by :

Mr. Jeremy Rowand

is our authorized service agent for the territory of Canada for the high pressure compressor units and spare parts- and consumables.

In accordance with Section 5.1 of CSA Standard Z180.1-00 only Jordair factory trained service technicians holding current training certificates are authorized by BAUER Kompressoren GmbH to work on Jordair, BAUER and/or Jmar compressor systems as installed in Canada.

Any unauthorized service of Jordair, BAUER and/or Jmar compressor systems may result in warranty becoming void which thereafter may become a safety issue.  
The Jordair Certificate for authorized service on Jordair, BAUER and/or Jmar compressor systems is issued for a period of two (2) years after which technicians shall follow an upgrade course in order to revalidate the certificate.

This certificate is valid until December 31, 2020.
